Upcoming Seminar at Zion

No More "Peek-a-Boo" Jesus: The Christology of the Old Testament

Understanding the Old Testament and its Christological character means we must first understand the Hebrew people and their covenantal relationship with God.

The task is not to "find" Jesus in the Old Testament, but rather to recognize that Christ *is* the Old Testament.

We are warmly inviting all LCMS clergy, church workers, and lay people from the DFW area to join us for this insightful 1.5 CEU course.
