God continues to bless the ministry of Dallas Lutheran School. We are now fully permitted and preparing to begin construction on a new academic building and are still welcoming students for the 2026–2027 school year.

We also ask for your prayers and support for several families who long to provide their children with a Lutheran education but were waitlisted for Texas School Choice funding. If you would like to help make that possible through a scholarship gift, or know a family interested in enrolling, please visit www.dallaslutheranschool.com or email Head of School, Betsy Graham, at grahamb@dallaslutheranschool.com

Thank you!
